

Fraction of a Quantity

Evaluate the expression in each section then use the table to shade the section in the correct colour.

Colour	Answer
Red	1 to 4 inclusive
Light Blue	5 to 8 inclusive
Blue	9 to 12 inclusive
Black	13 to 16 inclusive
White	17 to 20 inclusive
Yellow	21 to 24 inclusive

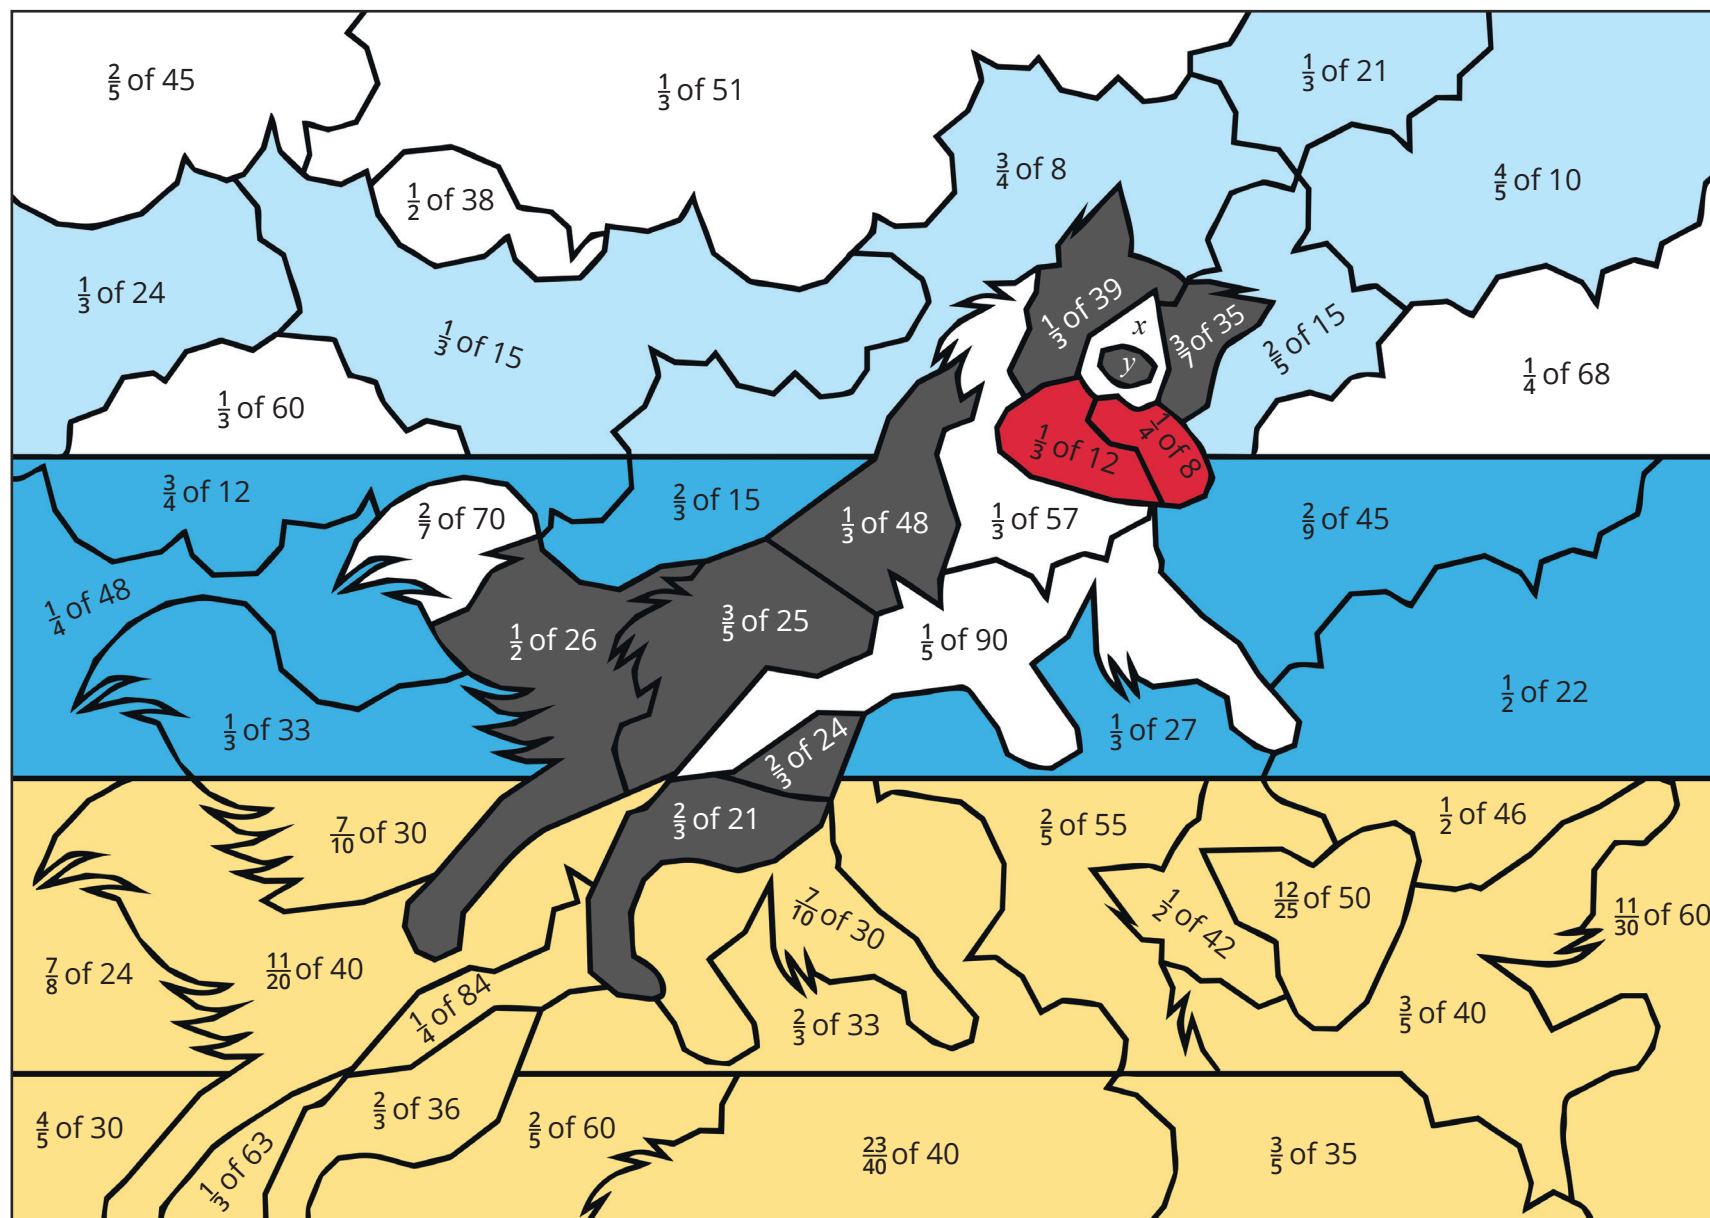

$$x = \frac{3}{4} \text{ of } 24 \quad y = \frac{2}{5} \text{ of } 35$$

Fraction of a Quantity Answers

Evaluate the expression in each section then use the table to shade the section in the correct colour.

Colour	Answer
Red	1 to 4 inclusive
Light Blue	5 to 8 inclusive
Blue	9 to 12 inclusive
Black	13 to 16 inclusive
White	17 to 20 inclusive
Yellow	21 to 24 inclusive

$$x = \frac{3}{4} \text{ of } 24 \quad y = \frac{2}{5} \text{ of } 35$$
